

Flavor Burst® FROZEN BEVERAGE

THE PRODUCT

MULTI-FLAVORED TREATS, FROM A SINGLE FREEZER BARREL

- Offer up to 8 different flavors with one unit.
- Select multiple flavors for new or favorite combinations such as caramel-apple, cherry-chocolate, or a rainbow twist! With 8-flavors, there are hundreds of possible combinations.
- Use with a variety of freezer models and frozen beverage bases to flavor shakes, slushes, smoothies, frozen coffees, and frozen cocktails.

ONE-STEP PROCESS

- Simply select as few or as many flavors as you like from the touchscreen menu, and you are ready to draw the serving!
- Delicious flavors are blended throughout the base product as it dispenses, automatically changing from one flavor to the next with no additional steps.

FLAVOR BURST SYRUPS

- The syrups are specially formulated for Flavor Burst systems and are concentrated to give each serving that perfect burst of flavor.
- Each syrup is packaged in easy-to-install 1-gallon bags with an 16-month shelf life.
- No refrigeration is needed.
- Each gallon bag yields up to 95 shake or 230 slush servings*. That's 760 shake or 1,840 slush servings* just from your first 8 flavors!
(*based on 16-oz. serving size)

30 DELICIOUS FLAVORS

From classics like chocolate and strawberry, to bold flavors like blue raspberry, bubblegum, and butter pecan, Flavor Burst syrups provide variety to keep your menu selection fresh, colorful and exciting.

For pricing, availability, and ordering, please contact your local Taylor distributor. To find one near you, visit www.taylor-company.com
